PROXY STATEMENT

The accompanying proxy is solicited by the Company's directors for voting at the annual meeting of shareholders to be held on November 2, 2017, at 6:00 p.m. Pacific Time, and at any and all adjournments of such meeting. If the proxy is executed and returned, it will be voted at the meeting in accordance with any instructions, and if no specification is made, the proxy will be voted for the proposals set forth in the accompanying notice of the annual meeting of shareholders. Shareholders who execute proxies may revoke them at any time before they are voted, either by writing to the Company at the address shown above or in person at the time of the meeting. Additionally, any later dated proxy will revoke a previous proxy from the same shareholder. This proxy statement was posted on the Company's website on September 21, 2017.

There is one class of capital stock outstanding. Provided a quorum consisting of one-third of the shares entitled to vote is present at the meeting, the affirmative vote of a majority of the shares of common stock voting in person or represented by proxy is required to elect directors and to adopt the other proposals to come before the meeting. Cumulative voting in the election of directors is not permitted.

Shares of the Company's common stock represented by properly executed proxies that reflect abstentions or "broker non-votes" will be counted as present for purposes of determining the presence of a quorum at the annual meeting. "Broker non-votes" represent shares held by brokerage firms in "street-name" with respect to which the broker has not received instructions from the customer or otherwise does not have discretionary voting authority. Abstentions and broker non-votes will not be counted as having voted against the proposals to be considered at the meeting.

David worked as a senior manager with KPMG in Canada and Ernst & Young in the United Kingdom and Saudi Arabia. Since 1996 he has been the principal of D.A. Fynn & Associates Inc., an accounting firm.

Daniel B. O'Brien devotes substantially all of his time to the Company's business.

The Company's Board of Directors met twice during the year ended December 31, 2016. All of the Directors, attended this meeting either in person, by telephone conference call or by email.

The Company's Board of Directors does not have a "leadership structure", as such, since each director is entitled to introduce resolutions to be considered by the Board and each director is entitled to one vote on any resolution considered by the Board. The Company's Chief Executive Officer is not the Chairman of the Company's Board of Directors.

The Company's Board of Directors has the ultimate responsibility to evaluate and respond to risks facing the Company. The Company's Board of Directors fulfills its obligations in this regard by meeting on a regular basis and communicating, when necessary, with the Company's officers.

John Bientjes, Dr. Thomas Fyles, Ben Seaman and David Flynn are independent directors as that term is defined in section 803 of the listing standards of the NYSE American.

For purposes of electing directors at its annual meeting the Company does not have a nominating committee or a committee performing similar functions. The Company's Board of Directors does not believe a nominating committee is necessary since the Company's Board of Directors is small and the board of directors as a whole performs this function. The current nominees to the Board of Directors were selected by a majority vote of the Company's independent directors.

The Company does not have any policy regarding the consideration of director candidates recommended by shareholders since a shareholder has never recommended a nominee to the board of directors. However, the Company's board of directors will consider candidates recommended by shareholders. To submit a candidate for the board of directors the shareholder should send the name, address and telephone number of the candidate, together with any relevant background or biographical information, to the Company's Chief Executive Officer, at the address shown on the cover page of this proxy statement. The board has not established any specific qualifications or skills a nominee must meet to serve as a director. Although the board does not have any process for identifying and evaluating director nominees, the board does not believe there would be any differences in the manner in which the board evaluates nominees submitted by shareholders as opposed to nominees submitted by any other person. There have been no material changes to the procedures by which security holders may recommend nominees to the Company's board of directors during the past three years.

The Company does not have a policy with regard to board member's attendance at annual meetings. All board members attended via conference the last annual shareholder's meeting held on October 24, 2016.

Holders of the Company's common stock can send written communications to the Company's entire board of directors, or to one or more board members, by addressing the

communication to “the Board of Directors” or to one or more directors, specifying the director or directors by name, and sending the communication to the Company’s offices in Taber, Alberta. Communications addressed to the Board of Directors as whole will be delivered to each board member. Communications addressed to a specific director (or directors) will be delivered to the director (or directors) specified.

Security holder communications not sent to the board of directors as a whole or to specified board members are not relayed to board members.

The Company has adopted a Code of Ethics that applies to the its Principal Financial and Accounting Officer, as well as the other company employees. The Code of Ethics is available at the Company’s website at www.flexiblesolutions.com.

If a violation of the code of ethics act is discovered or suspected, an officer of the Company must (anonymously, if desired) send a detailed note, with relevant documents, to the Company’s Audit Committee, c/o John Bientjes, #1-230 West 13th St., North Vancouver, B.C., Canada V7M 1N7.

Our employees, directors and officers, and consultants or advisors are eligible to be granted options pursuant to the Non-Qualified Plan.

The Plan is administered by our Compensation Committee. Compensation Committee

The Company's Compensation Committee consists of John Bientjes, Ben Seaman and David Fynn, all of whom are independent as that term is defined in Section 803 of the listing standards of the NYSE American.

The Compensation Committee is empowered to review and approve the annual compensation and compensation procedures for the Company's officers and determines the total compensation level for the Company's Chief Executive Officer. The total proposed compensation of the Company's Chief Executive Officer is formulated and evaluated by its Chief Executive Officer and submitted to the Company's Compensation Committee for consideration.

During the year ended December 31, 2016 the Compensation Committee met once. All members of the Compensation Committee attended this meeting.

During the year ended December 31, 2016, Daniel B. O'Brien, the Company's only executive officer, did not participate in deliberations of the Company's Compensation Committee concerning executive officer compensation.

During the year ended December 31, 2016, no director of the Company was also an executive officer of another entity, which had an executive officer of the Company serving as a director of such entity or as a member of the Compensation Committee of such entity.

The following is the report of the Compensation Committee:

The key components of the Company's executive compensation program include annual base salaries and long-term incentive compensation consisting of stock options. It is the

Company's policy to target compensation (i.e., base salary, stock option grants and other benefits) at approximately the median of comparable companies in the industries in which the Company competes. Accordingly, data on compensation practices followed by other companies in the industries in which the Company competes is considered.

The Company's long-term incentive program consists exclusively of periodic grants of stock options with an exercise price equal to the fair market value of the Company's common stock on the date of grant. To encourage retention, the ability to exercise options granted under the program may be subject to vesting restrictions. Decisions made regarding the timing and size of option grants take into account the performance of both the Company and the employee, "competitive market" practices, and the size of the option grants made in prior years. The weighting of these factors varies and is subjective. Current option holdings are not considered when granting options.

Audit Committee

The Company's Audit Committee presently consists of John Bientjes, Ben Seaman and David Fynn all of whom are independent directors and have strong financial backgrounds. The purpose of the Audit Committee is to review and approve the selection of the Company's auditors and review the Company's financial statements with the Company's independent registered public accounting firm. The Audit Committee also serves as an independent and objective party to monitor the Company's financial reporting process and internal control systems. The Audit Committee meets periodically with management and the Company's independent auditors.

During the fiscal year ended December 31, 2016, the Audit Committee met four times. All members of the Audit Committee attended these meetings.

The following is the report of the Audit Committee:

- (2) The Audit Committee discussed with the Company's independent registered public accounting firm the matters required to be discussed by Statement on Accounting Standards (SAS) No. 61 "Communications with Audit Committee" as amended by SASs 89 and 90.
- (3) The Audit Committee has received the written disclosures and the letter from the Company's independent registered public accounting firm required by PCAOB (Public Company Accounting Oversight Board) standards, and had discussed with the Company's independent registered public accounting firm the independent registered public accounting firm's independence.
- (4) Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2016 for filing with the Securities and Exchange Commission.

- (5) During the year ended December 31, 2016 the Company paid Meyers Norris Penny LLP, the Company's independent registered public accounting firm, audit and audit related fees of \$64,553 for professional services rendered for the audit of the Company's annual financial statements and the reviews of the financial statements included in the Company's 10-Q reports for the fiscal year and all regulatory filings.
- (6) The Audit Committee is of the opinion that these fees are consistent with maintaining its independence from the Company.

The foregoing report has been approved by the members of the Audit Committee:

John Bientjes
Ben Seaman
David Fynn

The Company's Board of Directors has adopted a written charter for the Audit Committee, a copy of which is available on the Company's website: www.flexiblesolutions.com.

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, enables the Company's shareholders to vote to approve, on a nonbinding advisory basis, the compensation of the Company's executive officers.

Accordingly, the Company will ask shareholders to vote for the following resolution at the annual meeting:

“RESOLVED, that the Company's shareholders approve, on a nonbinding advisory basis, the compensation of the Company's executive officers, as disclosed in the Company's Proxy Statement for the Annual Meeting of Shareholders to be held November 2, 2017 pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Summary Compensation Table and the other related tables and narrative disclosure in the Company's proxy statement.”

To the extent there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, the Company's Board of Directors and its Compensation Committee will consider shareholders' concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

The Board of Directors recommends that the shareholders approve on a nonbinding advisory basis the resolution approving the compensation of the Company's executive officers set forth in this proxy statement.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors has selected Meyers, Norris, Penny, LLP, an independent registered public accounting firm, to audit the books and records of the Company for the fiscal year ending December 31, 2017. Meyers, Norris, Penny served as the Company's independent registered public accounting firm for the fiscal years ended December 31, 2016 and 2015. A representative of Meyers, Norris, Penny, is expected to be present at the shareholders' meeting.

The following table shows the aggregate fees billed to the Company during the years ended December 31, 2016 and 2015 by Meyers Norris Penny LLP:

	<u>Year Ended December 31,</u>	
	<u>2016</u>	<u>2015</u>
Audit Fees	\$64,553	\$58,970
Audit-Related Fees	--	--
Tax Fees	--	--
All Other Fees	--	--

Audit fees represent amounts billed for professional services rendered for the audit of the Company's annual financial statements and the reviews of the financial statements included in the Company's 10-Q reports for the fiscal year and all regulatory filings. Audit-related fees represent amounts billed for reviewing amendments to the Company's 10-K and 10-Q reports. Before Meyers Norris Penny was engaged by the Company to render audit or non-audit services, the engagement was approved by the Company's audit committee. The Company's Board of Directors is of the opinion that the audit fees charged by Meyers Norris Penny are consistent with that firm maintaining its independence from the Company.

The Company's Annual Report on Form 10-K for the year ending December 31, 2016 will be sent to any shareholder of the Company upon request. Requests for a copy of this report should be addressed to the Company's Secretary at the address provided on the first page of this proxy statement.

The cost of preparing, printing and mailing the enclosed proxy, accompanying notice and proxy statement, and all other costs in connection with solicitation of proxies will be paid by the Company including any additional solicitation made by letter, telephone or email. Failure of a
